

## **OVERNIGHT PARKING RULES ESTABLISHED**

### Overnight Parking Permits

1. Overnight parking on the business district streets is prohibited. All vehicles parked overnight on business district streets will be ticketed and possibly towed.
2. Parking overnight is allowed in business district lot numbers 3, 4, and 5 with a valid permit issued by the City of Forest City.
3. The owner of a rental property is required to provide off street parking for all rental units. A minimum of one parking space per living unit is required by zoning ordinance. Off street parking may be provided on privately owned spaces or by purchasing a city parking lot permit for renters. Property owners may recover the cost of parking permits from renters. Property owners are allowed to purchase more than one permit per unit is necessary.
4. Permits are issued by the police department. Applications for permits are available at the Forest City Police Department 4th Street Station, 525 North 4th Street. Applications are also available on line at [www.fcpolice.org](http://www.fcpolice.org) .
5. The cost of a parking permit is \$120.00 per year. Permits expire on December 31 and must be renewed for each calendar year. The cost of permits purchased midyear will be prorated based on the number of full months left in the year at a rate of 10.00 per month with a minimum of \$10.00 for a permit purchased in November and December.
6. The permit sticker must be affixed to the vehicle that the permit was issued for. It is to be placed on the outside of the lower left corner of the rear facing window of said vehicle.
7. Holders of valid city parking permits are allowed to park in city lots 3, 4, and 5 between the hours of midnight and 7:00 am. Any other vehicle parked in city lots between midnight and 7:00 am will be ticketed and possibly towed. During snowfall permit holders must have their vehicles moved from parking spaces by 7:00 am in order for the city to remove snow. Vehicles may be moved to the street or to a part of the lot that is already cleared of snow.
